

Artificial Intelligence Club Week 1 Slides

October 1st, 2025

Welcome!

The Artificial Intelligence Club is an interdisciplinary club, focused on all things related to Artificial Intelligence and Machine Learning

We will host meetings once a week on Wednesday 6pm - 8pm, bridging the gap between having no AI knowledge to having real experience in AI and even expertise

Overview

- Lecture Meetings - Once a week, 1hr
- Project Work - After Lecture, 1hr
- Term Projects - To Be Announced
- Special Events
 - Hackathons
 - Kaggle Competitions
 - Guest Speakers
